

Sandra Morgan, Founding Director

A longtime Smith Camp regular with a background in organizational change and entrepreneurship, Sandy eagerly accepted the challenge to establish the new ESCAPE Camp after Adult Sports and Fitness Camp (ASFC'S) closure in 2012. Her experience co-founding three non-profits and her own consulting firm, IdeaWeaver, helped her design the new camp and manage its first two years with support from several other longtime campers.

Sandy received her B.A. from Smith College, her S.M. and Ph.D. from MIT, and her Ed.M. from Harvard Graduate School of Education. Recently received from a teaching career at the University of Hartford's Barney School of Business, she consults for a variety of organizations, from non-profits to banks to biotech companies.
